### **About The Landmark London**

[The Landmark London](#) in Marylebone is a magnificent five-star Grande Dame hotel and has, since its debut 120 years ago, remained an icon of quintessential and elegant London charm, offering guests an oasis of luxury and serenity in the heart of the capital.

One of the oldest railway hotels in London, The Landmark London was born in the romantic era of train travel, combining the opulence, grandeur and timeless service and design of those times with contemporary flair and five-star amenities. This is best represented in its iconic and soaring eight-storey-high glass Atrium that has been at the centre of the hotel since its opening.

An impressive 51 of The Landmark London's 300 rooms are suites, offering some of the largest rooms in the Capital and sumptuous comfort. The smallest room starts from 35 square metres.

Beautiful banqueting suites and a Majestic Grand Ballroom make the hotel a desired venue for impressive events, gatherings and spectacular weddings.

It features four drinking and dining destinations: *The Great Central Bar & Restaurant* serves a rotating seasonal lunch and dinner menu in a luxurious oak-panelled space, *The Mirror Bar* is perfect for pre-dinner cocktails or late-night drinks in Marylebone, and the Atrium houses two further venues. *The Winter Garden* serves a modern European menu and one of England's finest Afternoon Teas in stunning surroundings, whilst *The Garden Terrace* serves drinks throughout the day and Sunday Champagne Brunch at weekends.

The hotel was named fourth position in the acclaimed **The Sunday Times**' '100 Best Companies to Work For' in 2020. It also achieved 'Investors in People' Platinum Level Accreditation in 2018, the first and only hotel in the world to be awarded this level by achieving the highest score in accommodation business sector globally. It is by nurturing its staff that it ensures a personable world class service, that makes every guest experience exceptional.
