About Us

SPA AT THE LANDMARK LONDON

Retreat to The Spa at The Landmark London, an oasis of luxury in the heart of London. Our beautifully decorated lifestyle spa and wellness centre cares for your total renewal and wellbeing.

We understand that every guest is unique and the individual needs of our guests are of utmost importance to us. And for this reason we have partnered with SkinFaciality to offer bespoke facial treatments.

SKINFACIALITY

SkinFaciality specialises in premium facial care and skin rejuvenation treatments, tailored to enhance your natural beauty. Their services are designed to provide the ultimate skincare experience, with top-of-the-line products to help you achieve radiant, youthful skin.

Their expertise spans across a variety of cutting-edge treatments, including anti-aging solutions, acne and scarring treatments, microneedling and improved skin texture techniques.

Press the Spa button on the phone in your room or scan the QR code to find out more and book

SKIN DISCOVERY JOURNEY POWERED BY AI TECHNOLOGY

Experience the future of skincare with an exclusive AI-powered skin analysis - your first step towards transformative results. This complimentary consultation includes high-precision facial mapping, detailed skin health assessment and personalised treatment recommendations.

15 minutes: Complimentary

HYDROFACIAL DEEP CLEANSING

Indulge in the SkinFaciality signature facial treatment that combines cutting-edge technology with luxurious pampering. This comprehensive treatment delivers immediate, visible results through a carefully orchestrated sequence of premium therapies.

75 minutes: £200

Add on: Collagen Boost- *30 minutes £80*

DIAMOND GLOW MICRONEEDLING

A premium skin rejuvenation treatment combining advanced microneedling technology which helps with immediate skin brightening, enhanced collagen production and reduced appearance of fine lines.

60 minutes: £300

GLASS SKIN MICRONEEDLING

Experience the coveted 'glass skin' effect - the ultimate Korean beauty goal of crystal-clear, luminous complexion. A premium combination of advanced microneedling with pure Hyaluronic Acid infusion, designed to achieve that coveted translucent, luminous skin quality.

60 minutes: £350

HIFU SCULPTING TREATMENT

Experience the power of High-Intensity Focused Ultrasound technology - the gold standard in non-invasive facial sculpting, rejuvenation and anti-aging treatment.

90 minutes: £1,200

IV THERAPY COLLECTION (choose one)

1. Recovery & Rejuvenation IV Therapy - The Ultimate Wellness Boost

2. Radiance & Glow IV Therapy - Advanced Skin Brightening Treatment

3. Immunity Elite IV Therapy - Advanced Immune Support

45-60 minutes: £150
